Dear Shareholder,

NOTICE OF ANNUAL GENERAL MEETING 2024

This document contains the notice of the Annual General Meeting (“AGM” or “Annual General Meeting”) of Celadon Pharmaceuticals plc (the “Company”) and the resolutions to be proposed at the AGM (the “Resolutions”), which is to be held at the offices of Gowling WLG (UK) LLP, 4 More London Riverside, London SE1 2AU on Thursday 27 June at 12 noon.

The Notice of AGM is set out on pages 4 to 10 of this document, detailing the Resolutions that the shareholders are being asked to vote on, with explanatory notes of the business to be conducted at the AGM on pages 11 to 12.

If the chair of the AGM is appointed as proxy he or she will, of course, vote in accordance with any instructions given. If he or she is given discretion as to how to vote, he or she will vote in favour of each of the Resolutions.

The purpose of the Annual General Meeting is to seek shareholders’ approval to pass the Resolutions, within this Notice of AGM. Resolutions 1-11 inclusive will be proposed as ordinary resolutions and resolutions 12 and 13 will be proposed as special resolutions. The following is a brief summary of the business of the 2024 AGM:

- Resolution 1 relates to the receiving of the report and accounts for the year ending 31 December 2023.
- Resolutions 2 to 8 are to approve the re-election of the Directors who are retiring on an annual basis in line with best practice and offering themselves for re-election. Biographical details for the Directors can be found on pages 7 to 8 of this document.
- Resolutions 9 and 10 relate to the re-appointment of auditors and the authorisation of the Audit Committee to determine their fees.
- Resolution 11 is to authorise the Directors to make allotments of shares within specified limits.
- Resolutions 12 and 13 are to disapply the statutory pre-emption rights from the allotment of shares, within specified limits.

The Board is always interested in the views of shareholders on the Company’s activities and we remain committed to engagement with our shareholders. Given that shareholders will be able to attend in person, shareholders will be able to ask questions of the Board at the AGM. Recognising however that some shareholders may prefer not to attend the AGM in person, we have made provisions to submit questions to the Board on the business of the AGM. To submit questions in advance of the AGM, questions should be sent via our website: <https://celadonpharma.co.uk> by no later than 12 noon on Tuesday 25 June 2024 and we will publish answers to such questions, to the extent we consider appropriate on our website. Please note that some questions may be grouped together.

In line with best practice corporate governance, voting on the business of the meeting will be conducted on a poll. I would strongly encourage shareholders to exercise their right to vote in the following ways:

- via the Link Investor Centre app or by logging on to <https://investorcentre.linkgroup.co.uk/Login/Login> and following the instructions; or
- in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below; or
- if you are an institutional investor you may also be able to appoint a proxy electronically via the Proximity platform (refer to the notes accompanying the Notice of AGM at the end of this document); or
- by requesting a hard copy form of proxy directly from the Registrars, Link Group.

If you need help with voting online, or to request a hard copy form of proxy, please contact our Registrars, Link Group, on 0371 664 0391. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. They are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales or email Link Group at shareholderenquiries@linkgroup.co.uk.

For an electronic proxy appointment to be valid, the appointment must be received by Link Group, no later than 12 noon on Tuesday 25 June 2024.

If you hold your Ordinary Shares in uncertificated form in CREST, you may vote using the CREST Proxy Voting service in accordance with the procedures set out in the CREST Manual. Further details are also set out in the notes accompanying the Notice of AGM at the end of this document. Proxies submitted via CREST must be received by Link Group (ID RA10) by no later than 12 noon on Tuesday 25 June 2024 (or, if the AGM is adjourned, 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned meeting).

Recommendation

The Directors consider the passing of the Resolutions to be in the best interests of the Company and its shareholders as a whole and recommend shareholders to vote in favour of each of the Resolutions, as they intend to do in respect of their own holdings, amounting in aggregate to 27,424,072 Ordinary Shares (representing approximately 41.7 per cent. of the existing issued share capital).

Yours faithfully,

Notes:

The following notes explain your general rights as a shareholder and your right to attend and vote at the AGM or to appoint someone else to vote on your behalf.

- (a) Entitlement to attend and vote: Pursuant to regulation 41 of the Uncertificated Regulations 2001, the Company specifies that only those shareholders registered on the register of members of the Company as at 9.00 p.m. on 25 June 2024 shall be entitled to vote at the aforesaid AGM in respect of the number of shares registered in their name at that time or if the AGM is adjourned, 48 hours before the time fixed for the adjourned meeting (as the case may be) excluding any part of a day that is not a working day. In each case, changes to entries on the register of members after such time shall be disregarded in determining the rights of any person to attend or vote at the AGM. In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.

Seniority is determined by the order in which the names of the shareholders stand in the Register of Members of the Company.

You can vote:

- i. via the Link Investor Centre app or by logging on to <https://investorcentre.linkgroup.co.uk/Login/Login> and following the instructions; or
- ii. in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below; or
- iii. if you are an institutional investor you may also be able to appoint a proxy electronically via the Proximity platform (see below); or
- iv. by requesting a hard copy form of proxy directly from the Registrars, Link Group.

If you need help with voting online, or to request a hard copy form of proxy, please contact the Registrars, Link Group, on 0371 664 0391 (calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate) or by email at shareholderenquiries@linkgroup.co.uk.

Link Investor Centre is a free app for smartphone and tablet provided by Link Group (the company's registrar). It allows you to securely manage and monitor your shareholdings in real time, take part in online voting, keep your details up to date, access a range of information including payment history and much more. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below. Alternatively, you may access the Link Investor Centre via a web browser at: <https://investorcentre.linkgroup.co.uk/Login/Login>.

- (b) Appointment of proxies: A member is entitled to appoint a proxy to exercise all or any of the member's rights to attend, speak and vote at the meeting. A shareholder may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy does not need to be a shareholder of the Company. If you are appointing more than one proxy you will need to state clearly on each form of proxy the number of shares in relation to which the proxy is appointed, and ensure that, taken together, the numbers of shares stated on the forms of proxy do not exceed your holding.

For an electronic proxy appointment to be valid, the appointment must be received by the Registrars, Link Group, no later than 12 noon on 25 June 2024.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy, or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in Notes a) and b) above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com/CREST).

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

Proxymity Voting – if you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 12 noon on 25 June 2024 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

- (c) Changing proxy instructions: If you submit more than one proxy appointment the appointment received last by the Registrars, Link Group, before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. The CREST electronic proxy appointment service facilities are open to all CREST Members and those who use them will not be disadvantaged.
- (d) Corporate representatives: Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
- (e) Votes withheld and discretionary votes: A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Annual General Meeting.
- (f) Explanatory notes: Explanatory notes in relation to the resolutions to be proposed at the AGM are set out on the following pages.
- (g) Nominated Persons: A Nominated Person may under an agreement between him/her and the member who nominated him/her, have a right to be appointed (or to have someone else appointed) as a proxy entitled to attend and speak and vote at the AGM. Nominated Persons are advised to contact the member who nominated them for further information on this and the procedure for appointing any such proxy.

If a Nominated Person does not have a right to be appointed, or to have someone else appointed, as a proxy for the AGM, or does not wish to exercise such a right, he/she may still have the right under an agreement between himself/herself and the member who nominated him/her to give instructions to the member as to the exercise of voting rights at the AGM. Such Nominated Persons are advised to contact the members who nominated them for further information on this.

The statement of the rights of shareholders in relation to the appointment of proxies in notes b) and c) do not apply to Nominated Persons.

- (h) Issued shares and total voting rights: As at 31 May 2024 (being the latest practicable business day prior to the publication of this Notice), the Company's ordinary issued share capital consisted of 65,744,617 ordinary shares, carrying one vote each. No shares are held in treasury. Therefore, the total voting rights in the Company as at 31 May 2024 are 65,744,617.
- (i) Website giving information regarding the AGM: A copy of this Notice, and other information required by section 311A of the Companies Act 2006, can be found on the Company's website at www.celadonpharma.co.uk.
- (j) Questions: Recognising that some shareholders may prefer not to attend the AGM in person, we have made provisions to submit questions to the Board on the business of the AGM. To submit questions in advance of the AGM, questions should be sent via our website: <https://celadonpharma.co.uk> by no later than 12 noon on Tuesday 25 June 2024 and we will publish answers to such questions, to the extent we consider appropriate on our website. Please note that some questions may be grouped together.
- (k) Voting: Voting on all resolutions at this year's AGM will be conducted by way of a poll. The Board believes that a poll is more representative of shareholders' voting intentions because it gives as many shareholders as possible the opportunity to have their votes counted. The results of the poll will be announced via a Regulatory Information Service and made available on the company website as soon as practicable after the AGM.

The Company is required to appoint auditors at each general meeting at which accounts are laid before the Company, to hold office until the end of the next such meeting. This resolution proposes the re-appointment of RSM UK Audit LLP.

RESOLUTION 10: AUTHORITY TO SET THE AUDITORS' REMUNERATION

In accordance with standard practice, this resolution gives authority to the Audit Committee to determine the remuneration to be paid to the auditors. The amount of the remuneration paid to the auditors for the next financial year will be disclosed in the next audited accounts of the Company.

RESOLUTION 11: AUTHORITY TO ALLOT SHARES

Section 549 of the Companies Act 2006 provides, in relation to all companies, that the Directors may not allot shares in the Company, or grant rights to subscribe for, or to convert any security into, shares in the Company unless authorised to do so by the Company in general meeting or by its articles of association. Accordingly, this resolution seeks renewal, for a further period expiring at the earlier of the close of the next annual general meeting of the Company and 15 months after the passing of the resolution, of the authority previously granted to the Directors at the AGM of the Company held on 29 June 2023. This authority will relate to a total of 21,914,872 ordinary shares of £0.01 each, representing approximately one third of the Company's issued share capital as at the date of this Notice. While this resolution empowers the Directors to allot shares, they are required to effect any such allotment on a pre-emptive basis save to the extent that they are otherwise authorised. Resolutions 12 and 13 below contain limited powers to allot on a non-pre-emptive basis. Under current UK institutional shareholder guidance, a UK listed company may seek authority to issue further shares up to an aggregate of two-thirds of its current issued share capital for a full pre-emptive issue. While the Company has no present intention of allotting, or agreeing to allot, any shares otherwise than in connection with employee share schemes, to the extent permitted by such schemes, the Directors believe that it should have the flexibility to issue the additional shares should the right circumstances present themselves to warrant such an issue.

RESOLUTIONS 12-13: DIS-APPLICATION OF PRE-EMPTION RIGHTS

If the Directors wish to allot any shares of the Company for cash in accordance with the authority granted at this year's AGM these must generally be offered first to Shareholders in proportion to their existing shareholdings. In certain circumstances, it may be in the interests of the Company for the Directors to be able to allot some shares for cash without having to offer them first to existing Shareholders. These resolutions, which will be proposed as special resolutions, seek to enable Shareholders to waive their pre-emption rights and allow the Directors to allot shares for cash without such shares being first offered to existing Shareholders. The Pre-emption Group revised its Statement of Principles in November 2022. The updated Statement of Principles follows the report of the UK Secondary Capital Raising Review, which recommended (among other things) that the allowance for non-pre-emptive issues set out in the Statement of Principles be increased from 5 per cent. to 10 per cent. for non-pre-emptive issues for an unrestricted purpose, and from an additional 5 per cent. to 10 per cent. for non-pre-emptive issues to be used only in connection with an acquisition or specified capital investment. In addition, the updated Statement of Principles allows companies to seek a further disapplication of up to 2 per cent. for a "follow-on offer", as defined in paragraph 3 of Section 2B of the Statement of Principles. Accordingly, resolution 12 will, if passed, allow the Directors to allot shares for cash pursuant to the authority granted in resolution 11: (a) in connection with a rights issue or any other pre-emptive offer concerning equity securities, or (b) otherwise than in connection with a rights issue or any other pre-emptive offer for shares in the Company up to a maximum nominal value of £65,744.62, representing approximately 10 per cent. of the Company's issued ordinary share capital as at the latest practicable business day prior to the publication of this Notice. Resolution 12(c) will, if passed, allow the Directors to allot shares for cash pursuant to the authority granted in resolution 11 on a non-pre-emptive basis up to a maximum nominal value representing approximately 20 per cent. of any allotment of equity securities made from time to time pursuant to the authority granted in resolution 12(b) to be used only for a "follow-on offer". Resolution 13 will, if passed, allow the Directors to allot shares for cash pursuant to the authority granted in resolution 11 on a non-pre-emptive basis in connection with the financing (or refinancing, if the authority is to be used within 12 months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding 12-month period and is disclosed in the announcement of the allotment. The authority under resolution 13 is limited to a maximum nominal value of £65,744.62, representing approximately 10 per cent. of the Company's issued ordinary share capital as at the latest practicable business day prior to the publication of this Notice. Resolution 13(b) will, if passed, allow the Directors to allot shares for cash pursuant to the authority granted in resolution 11 on a non-pre-emptive basis up to a maximum nominal value representing approximately 20 per cent. of any allotment of equity securities made from time to time pursuant to the authority granted in resolution 13(a) to be used only for a "follow-on offer". The Directors consider it desirable and believe it appropriate to have the maximum flexibility permitted by corporate governance guidelines to enable non-pre-emptive allotments to take place to finance business opportunities. These authorities would be effective until the earlier of the conclusion of the next annual general meeting of the Company and 15 months after the passing of the resolution. The Directors believe that obtaining this authority is in the best interests of shareholders as a whole and recommend that shareholders vote in favour of this resolution. The Directors have no immediate plans to make use of these authorities.

The Directors believe that the proposals in resolutions 1 to 13 are in the best interests of shareholders as a whole. The Directors will be voting in favour of them and unanimously recommend that you do so as well.
